Preparations

For Ultrasound

- Pelvis
 - o Drink 3 glasses of water before coming for the examination
 - o Do not empty your bladder 2 hours prior to examination
- Gall Bladder / Liver / Pancreas
 - o No food or drinks 6 hours before the examination

For X-Ray

- Wear comfortable clothes and shoes as you will most likely be removing your outfit prior to the exam
- You may be asked to remove jewellery, eyeglasses and any metal objects because they can show up on an X-Ray image
- The X-Ray radiation is generally safe for adults. However, it may be harmful to an unborn child. Please inform your doctor and radiographer in advance if you think you may be pregnant.
